

TO THE KINGS MOST EXCELLENT MAIESTIE.

548

The humble addresse of the Nobility and Gentry of the County of VV^{AR}WICK

Most Gracious Sovereigne.

WEE your most loyall and obedient Subjects cannot but admire the Gracious providence of GOD in this your Majesties so happie and peaceable Returne, founded throughout your Maj:^{ties} Dominions with such hearty Acclamations of Joy, that it makes it evident to all, even the worst of men, as a Providentiall Determination, that your Maj:^{ties} person and Right to these your Kingdomes, hath been from the beginning, Crowned by the most high King of Kings; VVee are and pray GOD make all your Maj:^{ties} Subjects sensible and thankfull to him for it; And as in Duty bound, wee shall pray that as well wee, as all other your Maj:^{ties} Subjects may be observant of the Lords Mercy and blessing to Vs herein, and resolve all reall and hearty Obedience to your MAJESTY.

And as wee are not a little sensible of the great felicity which these Kingdomes formerly enjoyed in all respects as well Ecclesiasticall as Civill, under the prudent Government of your Majesties Royall Father and Grandfather of blessed Memory, so long as the knowne Lawes of the Land in reference to both, had their due Course and power, so are we no lesse Joyfull now by this unspeakeable mercy of GOD, your Majestie after so long an Interruption is thus Peaceably restored to Us, wee and our Posterities both are and shall be made happie in this Re-injoyment of those excellent Lawes; In defence and maintenance whereof, as also of your Majesties ryall Person, Crowne and Dignitie, wee, are resolved to adhere to your Sacred Majestie with our Lives and Fortunes against all Invaders and Disturbers under any pretence whatsoever.

These wee humbly present to your MAJESTY, as the Humble sence as well of our Selves, as other your MAJESTIES Loyall Subjects of the County of W^ARWICK.
